The *Together We Can Fly* residency project brings together students from the Massachusetts Hospital School and the Dean S. Luce Elementary School in Canton - to sing together, to create art together, to learn together and to get to know each other.

Our current residency in vocal music and visual arts includes 15 students from Massachusetts Hospital School and 15 students from the Dean Luce School. Hope you can join us!

Together We Can Fly is presented by Young Audiences of Massachusetts through the generous donations of the John W. Alden Trust and Very Special Arts (VSA)/MetLife Foundation.
